MEMORANDUM FOR: Deputy Director of Security

SUBJECT:

[REDACTED]

STAT

Confirming our telephone conversation this date the Director asked that:

1) You in coordination with Jim Angleton draft an appropriate letter for his (DCI's) signature to the Department of State requesting that [REDACTED] be declared persona non grata. A copy of this letter will be furnished Mr. Sam Papich for the FBI, and, in fact, I would see no objection to including a statement in the letter itself that a copy has been furnished the Bureau.

STAT

2) You approach the Immigration and Naturalization Service and request them to take such action as necessary to prevent [REDACTED] from leaving the country. As I indicated to you, the Director does not feel it desirable to inform [REDACTED] of this action.
